PROFESSIONAL SUMMARY

Motivated and skilled **Computer Science student** with a strong understanding of **Data Structures and Algorithms (DSA)**. With hands-on experience in **web development**, **programming**, and **project management**, possess strong **problem-solving skills** and a **collaborative mindset**. Contributed to technical teams by developing applications that improve **user experience**. Currently seeking a **Software Engineering internship** to further learn, grow, and apply technical skills effectively.

EDUCATION

Sharda University

B.Tech in Computer Science and Engineering (3rd Year)

2027

Greater Noida, UP, India

EXPERIENCE

Web Developer, Diplomacia IITM MUN Society

2023–2024

Technical Team

IIT Madras

- Developed web solutions for online MUN events. Enhanced user engagement by implementing responsive and interactive designs.
- Tools Used:** HTML, CSS, JavaScript, Node.js, React

Co-Founder, GroceBin

2020–2021

E-commerce Grocery Service

Bihar, India

- Founded a grocery delivery service, gaining hands-on experience in web development, data analysis, and business automation. Developed end-to-end processes for efficient operations and learned essential business management skills

PROJECTS

• Roommate Expense Tracker:

- Streamlined shared expenses with transaction logging and real-time debt summaries.
- Used structured data models and dynamic UI components for smooth interaction.
- Handled edge cases to improve balance accuracy and reduce manual errors by 40%.
- Tech:** JavaScript, React, Node.js

• Banking Management System:

- Built an account management system supporting deposits, withdrawals, and interest.
- Applied OOP and file handling for secure, persistent transaction workflows.
- Optimized I/O performance and debugged failures to improve reliability.
- Tech:** C++, OOP

• Typing Master:

- Web app to measure typing speed (WPM/CPM), accuracy, and errors in real-time.
- Included countdown timer, detailed session results, and live feedback.
- Fully responsive interface built using HTML5, Tailwind CSS, and JavaScript.

SKILLS

- Languages: **C/C++, Java, Python, JavaScript**
- Frameworks: **HTML/CSS, Tailwind, React, Node.js**
- Tools: **Git/GitHub, SuperBase**
- Databases: **SQL**

ACADEMIC & PROFESSIONAL ACHIEVEMENTS

- Oracle Academy Java Programming Certification
- 5-Star Badge in C and Python on HackerRank
- Advanced SQL Certification on HackerRank
